

Publications sélectionnées : Equipe Epidémiologie des Infections

Excess rate of in-hospital death in Lyons, France, during the August 2003 heat wave.

P Vanhems, L Gambotti, **J Fabry**

N Engl J Med. 2003;349(21):2077-8. (Letter)

IF 34,83

80. Outbreaks of infection associated with bronchoscopes.

Cetre JC, Salord H, **P Vanhems**

N Engl J Med. 2003 ;348:2039-40 (Letter)

IF 34,83

Necrotic pneumonia due to *Staphylococcus aureus* strains producing the Panton Valentine leukocidin: evidence for a new specific syndrome with a high case fatality rate

Y Gillet, B Issartel, **P Vanhems**, J-C Fournet, G. Lina, M. Bes, F. Vandenesch, Y. Piémont, N. Brousse, D. Floret, J Etienne.

The Lancet 2002;359:753-9.

IF 18,316

CASCADE Collaboration. Determinants of survival following HIV seroconversion after the introduction of HAART.

Lancet 2003 ; 362 :1267-1274.

IF 18,316

Pittet D, Allegranzi B, Sax H, Bertinato L, Concia E, Cookson B, **Fabry J**, Richet H, Philip P, Spencer RC, Ganter BW, Lazzari S.

Considerations for a WHO European strategy on health-care-associated infection, surveillance, and control.

Lancet Infect Dis. 2005 Apr;5(4):242-50

IF :?

Marques-Vidal P, Ferrières J, **Metzger MH** et al. Trends in coronary heart disease morbidity and mortality and acute coronary care and case fatality from 1985-1989 in southern Germany and south-western France.

Eur Heart J 1997;18 : 816-21.

IF : 5,997

Molecular evidence of interhuman transmission of *Pneumocystis* pneumonia among renal transplant recipients hospitalized with HIV-infected patients

Rabodonirina M, **Vanhems P**, Couray-Targe S, Gillibert R-P, Ganne C, Nizard N, et al..

Emerg Infect Dis. 2004 ; 10 :1766-1773.

IF :5,34

The incubation period of acute retroviral syndrome as a multi-step process: a parametric survival analysis

Vanhems P, Voirin N, Philippe P, Hirschel B, Brassard J, Carr A, Cooper DA, Perrin L and Allard R.

J Acquir Immune Defic Syndr. 2004 ; 37:1529-1533

IF : 3,586

Thorand B, Liese AD, **Metzger MH**, Reitmeir P, Schneider A, Löwel H. Can inaccuracy of reported parental history of diabetes explain the maternal transmission hypothesis for diabetes ?

Int J Epidemiol 2001; 30: 1084-9.

IF : 3,289

D'Oliveira A Jr, Voirin N, Allard R, Peyramond D, Chidiac C, Touraine JL, Fabry J, Trepo C, Vanhems P.

Prevalence and sexual risk of hepatitis C virus infection when human immunodeficiency virus was acquired through sexual intercourse among patients of the Lyon University Hospitals, France, 1992-2002.

J Viral Hepat. 2005 May;12(3):330-2.

IF :3,258

Metzger MH, Goldberg M, Chastang JF, Leclerc A, Zins M. Factors associated with self-reporting of chronic health problems in the French GAZEL Cohort.

J Clin Epidemiol 2002; 55: 48-59.

IF :2,227

Jusot JF, **Vanhems P**, Benzait F, Berthelot P, Patural H, Teyssier G, **Fabry J**, Pozzetto B

Reported measures of hygiene and incidence rates for hospital-acquired diarrhea in 31 French pediatric wards: is there any relationship?

Infect Control Hosp Epidemiol. 2003 Jul;24(7):520-5

IF :1,951

IF: ?

Picot N, Le Mener V, Rotivel Y, Schonfeld C, **Cetre JC**, Costy F, Grillet JP, Lanta N, Lang J.

Booster effect of a new chromatographically purified Vero-cell rabies vaccine (CPRV): immunogenicity and safety of a single or double injection.

Trans R Soc Trop Med Hyg. 2001 May-Jun;95(3):342-4.

IF: ?

Coopérations

Nationales

RAISIN (Réseau National d'Alerte, d'Investigation et de Surveillance des Infections Nosocomiales : fondé par convention en mars 2001 entre l'Institut de Veille Sanitaire et les 5 C.CLIN).

Internationales

Projet européen HELICS : (Hospitals in Europe Link for Infection Control through Surveillance) : projet européen (support financier de la commission de la Communauté Européenne - Directorate General V puis la DG SANCO) de standardisation de la surveillance des infections nosocomiales en chirurgie et en réanimation. (Coordination : Pr J. Fabry).

Ce travail se prolonge depuis 2005 en un nouveau projet européen **IPSE** (Improving Patient Safety in Europe)
2005-2007 financé par DG SANCO.

EuroSIDA : cohorte européenne VIH

CASCADE : Concerted Action from Seroconversion to AIDS and death in Europe :
réseau VIH européen

Cohorte primo-Infection VIH : Lyon-Montréal-Seattle-Sydney-Geneve

Coopération avec la **Swiss HIV Cohort Study**
