The diagram illustrates the relationship between a header file and three source files. On the left is a black rectangular box labeled 'Cl_common.h'. To its right are three white rectangular boxes with black borders, labeled 'Clstuff.c', 'Classes.c', and 'LinearStatistic.c' from top to bottom. Three dark blue arrows point from each of these three source files towards the 'Cl_common.h' header file, indicating that each source file includes the common header.
